From time to time CHA is offered special tickets to different events. It will be on the website and there will also be call outs.

There are also helpful links tab on the CHA website. It is filled with all types of great information relating to parenting and education.

Open Topics:

Q: How cold will it be before kids are not allowed outside to play?

A: The nurse decides and keeps track of weather. She keeps tracks of ozone on hot days. During cold weather a temperature of 32 degrees or a wind chill of 28 degrees prevents students from going outside. Be sure to put names on coats. Policy is on website.

Dress Code:

Q: Are hoodies allowed?

A: Yes, as long as they are navy blue, white, or red. These can be worn in class during the day. Outerwear coats and jackets can be any type and color but they are to be taken off during the day in class.

Stopping of traffic during dismissal:

There has been one man complaining about stopping of traffic. He has complained to FW Police. For the time being, faculty members are not allowed to stop traffic during dismissal. City of Fort Worth says there needs to be a certified crossing guard that is a city employee. Off duty police officers need a minimum of 3 hours paid time. At this time there are inquiries being made to our city council representative.

We are not zoned for a school because there is not enough foot traffic.

Parking Lot: Please turn right only when exiting the parking lot for the safety of everyone involved.

Next meeting: Jan 14
