Other items discussed were response box in reception area.

Parents broke up in to groups to discuss survey questions and suggestions were made to better the survey.

Other items discussed were Inclement Weather Days. There was discussion on how inclement weather days are decided and how information is gotten out to families. It was reminded that CHA does NOT follow FWISD or CISD when making school closing information.

Reminder that Inclement Weather days are made up at the end of the school year. June 9th is the last day of school.
